Alcohol and cigarettes are strictly prohibited in the presence of students in Turkey. These rules are limited by laws. We would like to remind you that these rules will be observed during all activities. Since our students are between the ages of 15-17, we would like you to know that we attach great importance to this issue. We kindly ask our students from all countries to abide by the rules in all our activities, homestays, in-school activities and all our free time.
